20191212: Counseled this date per MCO 1900.16 paragraph 6105 concerning the following deficiencies: Conduct Unbecoming a Noncommissioned Officer, in that your behavior brought dishonor to the military profession and affected your ability to effectively set the example and lead subordinates. Specifically, you repeatedly used highly inflammatory language towards your significant other which included the use of discriminatory terms. You were also involved in a verbal altercation with your significant other which led to a mutual physical altercation.

Specific recommendations for corrective action are to maintain the high standards of personal and professional conduct at all times and to seek assistance, which is available through the chain of command and Marine Corps support agencies. Failure to take corrective action and any further violations of the UCMJ, disciplinary action, or incidents requiring formal counseling may result in judicial or adverse administrative action, including but not limited to administrative separation.

I understand that failure to complete my contractual obligation with an honorable characterization of service may preclude my eligibility for benefits from the Department of Veterans Affairs or other organizations and have an adverse effect on future civilian employment. I was advised that within 5 working days after acknowledgment of this entry I may submit a written rebuttal that will be filed in the electronic service record. I choose to CC not to make such a statement.
